## CONSULTING APPROACH

Every organisations journey is unique. What's your need?

### AUDIT

We review your existing solutions and recommend remedial actions where needed.

### ADVISORY

We identify and curate the right solution for your businesses' needs.

### IMPLEMENTATION

We work with you to implement business and technical processes whilst managing vendors.

## YOUR PROBLEM

**My company's authentication solution could be better, but it's the best I can do for now.**

Understandably, with increased pressures, shrinking budgets and a team that's over capacity, securing and simplifying the customer journey is a huge task. Even though it is a priority, sometimes you're not sure how to move forward.

## OUR SOLUTION

**Our deep insight into omnichannel authentication, allows us to work with you to ensure you get the most out of your intelligent authentication solution.**

With over 10 years in the authentication arena, our team of experts have 'seen it all.' From devising the strategy, all the way through to optimising underperforming solutions. Authentication is more than a vendor solution, it's a holistic implementation that benefits the entire company.

## ABOUT ONEVAULT

We believe that there's advice, and there's sound advice. Advice means well, but most often does more harm than good. Sound advice comes from wisdom, and always guarantees results. With that, our mission is to ensure that brands and customers should interact safely and efficiently, at every stage of the journey.

We aren't consultants. We are solutions partners; dedicated to helping bolster your Intelligent Authentication process and Fraud prevention measures. Starting in South Africa, OneVault has extended its footprint into the African market & beyond; in countries such as Kenya, Tanzania, all the way to Pakistan.

Our solutions team is waiting to chat about your authentication and fraud solutions strategy.
